**Thought for the Assumption:** "From this we can see that she is there bodily...her blessedness would not have been complete unless she were there as a person. The soul is not a person, but the soul, joined to the body, is a person. It is manifest that she is there in soul and in body. Otherwise she would not possess her complete beatitude."

**Guidelines on Use of Modern Technology when Working with Children – Use of Photography and Video:**  
 The use of photography and video is an issue of great concern among those working with children. The Diocese recognises that every parish has their own arrangements in relation to its use in schools, youth groups and for the sacraments however the guidelines have been devised below to aid parishes and diocesan groups:

- It is always good practice to seek *written* permission from a parent or guardian before taking any photographs or video footage of children. This written permission must be sought from the parent/guardian or the person who owns the photograph before it can be displayed on promotional materials or websites. This can be incorporated in the registration form when a child joins a group (template permission Resource 10);
- Neither names nor any personal information should be displayed alongside any photographs;
- Special consideration should be given where taking photographs or video footage might be misinterpreted, or the images could be seen as provocative (e.g. beach trip or gymnastics display etc.). It is not to say, however, that with the right planning, these events cannot be recorded and enjoyed.

Photography and video recording are important methods of recording social activity and providing an historic record – illustrating and validating important moments in people's lives. This process is a powerful and personal one, and therefore we must respect the rights of all to make the choice whether or not to be photographed.  
*From Safeguarding Policy and Procedures, published on behalf of the Diocesan Safeguarding Committee*

**Greencastle St. Patrick's GAC and Greencastle Community Association are working together to begin developing a shared Community Hub**  
 This is essentially a 10-15 year plan to improve the facilities in our community for the benefit of our residents.  
 We now have eighteen groups who use the facilities at the community centre and our resources are stretched to accommodate everyone—we need more space.  
 An Caisleán Glas Community Hub will take the form of a 3-phase development with the first phase incorporating a new shared / educational space, a multi-purpose gym/spinning studio, an exhibition area and additional multi-purpose rooms.  
 To allow this development plan to proceed we need as many people as possible to complete our community questionnaire which will be available at the community centre through the various groups/classes, the shop and school.  
*The questionnaire will also be available online*  
 Everyone who fully completes the questionnaire is entered into a draw to win £50.  
 We would also like to invite people to come along to the club rooms to see the plans at 'design concept stage' and participate in a unique opportunity to influence this plan.

**Seeing your life through the lens of the gospel – Matthew 14:22-33:** John Byrne OSA ([jbyrneosa@gmail.com](mailto:jbyrneosa@gmail.com))

1. The story illustrates the power of faith. Have you noticed that when you believe in someone, or something, you can do things that would not be possible when you are full of doubts? Recall moments when your faith gave you strength and courage? Name for yourself the different kinds of faith that had this effect: belief in yourself, trust in another, faith in God.
2. When Jesus got into the boat the winds ceased. Who has been a Jesus person for you and helped to calm a storm that frightened you or made you anxious?
3. The experience of Peter gives encouragement to us when we waver in our trust and belief in God. In his doubt and fear Jesus reached out to him. Who has reached out a helping hand to you when you felt you were sinking?
4. The story ends with a profession of faith in Jesus as the Son of God. Have you had experiences of being rescued from some hazard or danger, experiences which deepened your faith in the presence and compassion of God for you?

**Musings – Looking at Jesus:**

I'm fascinated by the first step of Peter as he climbed over the side of the boat. He was looking at Jesus, not at the water. His mind was charged with Jesus' invitation 'Come.' So often the way out of depression, fear or anxiety is not a thought or a consideration but a physical step. I take a risk and find myself strong enough to walk forward, keeping my eyes on the Lord.

*From Sacred Space – The Prayer Book 2017 • [sacredspace.ie](http://sacredspace.ie) • Messenger Publications*

There is an African American saying that we are always either going into a storm, in a storm, or coming out of a storm. Disciples are those who are learning to call on Jesus the Son of God in all three conditions. When our boat is battered by waves, we can call on Jesus. When our boat is far from land, we can call on Jesus. When our boat has the wind against it, we can call on Jesus. He knows our sufferings. He is approaching. He is present and able to offer assistance. He has been here all along. The question is, how are we going to respond to that knowledge? Are we going to keep focusing on the wind and the waves, or on the outstretched hand of our Lord?

*Alyce M. McKenzie*

**The Deep End – Back to the Mountain Top:**

*Jane Mellett ([mellettj@gmail.com](mailto:melletjt@gmail.com))*

Jesus once again goes to the mountain-top to pray. We too are encouraged to carve out space and time out in our everyday lives for quiet, for reflection for prayer or meditation; for whatever it is that we do to nourish that deeper spiritual heart of ourselves. It is so important.

The famous story of Jesus walking on the water follows in the Gospel today. What a shock the disciples must have received! Initially Peter is so brave and enthusiastic. Peter is able to walk on the water until he notices the wind, then fear takes over and he begins to sink.

If you have read the book *The Shack* (and if you haven't I highly recommend it!) you might remember a scene where the main character, Mack, is led onto the water by Jesus and they walk together on the lake. Mack, like Peter in today's Gospel, is full of fear, mostly about what might happen in the future. Jesus is clear to Mack that he lives in the present and that we waste time trying to play God and control what might happen in the future: "You neither believe I am good nor know deep in your heart that I love you. You sing about it, you talk about it, but you don't know it" (*The Shack*, p. 151)

Jesus' message for Mack in the story; for Peter in the Gospel and for all of today is 'Why did you doubt?' What eliminates our awareness of the love of God? We are urged to keep our eyes fixed on him. It is in the present that Jesus lives, not in our fears about the future or worries about the past.

**This Week's Calendar of Feasts and Saints:**

- Monday 14<sup>th</sup> August – St. Maximilian Kolbe (priest and martyr) [1894-1941]** A Conventional Franciscan who worked in the apostolate of the press in Poland and Japan, and died in Auschwitz.
- Tuesday 15<sup>th</sup> August – Assumption of the Blessed Virgin Mary** commemorates the death of Mary and her bodily assumption into Heaven, before her body could begin to decay—a foretaste of our own bodily resurrection at the end of time. Because it signifies the Blessed Virgin's passing into eternal life, it is the most important of all Marian feasts and a Holy Day of Obligation.
- Saturday 19<sup>th</sup> August – St. John Eudes (priest) [1601-1680]** From Normandy France, he spent a fruitful twenty years with the French Oratory then left to improve the standards of the clergy through seminaries. He also founded the Sisters of Our Lady of Charity and Refuge. He was a powerful preacher and among the first to promote devotion to the Sacred Heart.
- Sunday 20<sup>th</sup> August – St. Bernard (abbot and doctor of the Church) [1090-1153]** Became a Cistercian monk at Citeaux in 1113 and was chosen abbot of Clairvaux in 1115. His writings reveal a strong grasp of biblical studies, spiritual theology and philosophy. He is patron of Gibraltar and bee-keepers.
