Guidelines on Use of Modern Technology when Working with Children – Use of Photography and Video:

The use of photography and video is an issue of great concern among those working with children. The Diocese recognises that every parish has their own arrangements in relation to its use in schools, youth groups and for the sacraments however the guidelines have been devised below to aid parishes and diocesan groups:

- It is always good practice to seek *written* permission from a parent or guardian before taking any photographs or video footage of children. This written permission must be sought from the parent/guardian or the person who owns the photograph before it can be displayed on promotional materials or websites. This can be incorporated in the registration form when a child joins a group (template permission Resource 10);
- Neither names nor any personal information should be displayed alongside any photographs;
- Special consideration should be given where taking photographs or video footage might be misinterpreted, or the images could be seen as provocative (e.g. beach trip or gymnastics display etc.). It is not to say, however, that with the right planning, these events cannot be recorded and enjoyed.

Photography and video recording are important methods of recording social activity and providing an historic record – illustrating and validating important moments in people's lives. This process is a powerful and personal one, and therefore we must respect the rights of all to make the choice whether or not to be photographed.

*From Safeguarding Policy and Procedures, published on behalf of the **Diocesan Safeguarding Committee***

Child Safeguarding: If you or anyone you know has a concern or wishes to report an allegation directly to the statutory authorities, please contact the PSNI / local Health and Social Care Trust. If you are contacting the latter, ask to speak to the Duty Social Worker. Alternatively, if you have a child safeguarding concern in relation to any member of Church personnel and wish to report it to Church authorities, please contact one of the diocesan designated persons, who will in turn report your concern to the relevant statutory authorities. *See poster at entrance*

Pope Francis – 'Vocations are born in prayer, and only in prayer can they persevere and bear fruit'

The Irish Bishops' Council for Vocations has launched a prayer initiative for an increase in vocations to the priesthood and religious life in Ireland. In this centenary of the apparitions of Our Lady of Fatima, parishes, schools and families are invited to pray a decade of the Rosary, for vocations in Ireland, on the 13th of each month from May until October.

Those taking part in the prayer initiative are invited to use the social media hashtag #Pray4Vocations

Seeing your life through the lens of the gospel – Matthew 22:34-40: John Byrne OSA (jpbyrneosa@gmail.com)

1. You may feel some sympathy with the Jews struggling to cope with 613 laws and wondering which were the important ones. But have you ever felt overwhelmed by the rules and regulations of your own tradition? And have you ever been blessed by meeting someone, or reading something, that was able to cut through all the layers and point out to you what is essential in life? Who was that person? What did they say or do? Is there some phrase or text that encapsulates such wisdom for you?
2. If you were asked what is most important in life, what would your answer be? Recall the experiences and relationships you have had. Which are the ones that you treasure most? What has particularly enriched your life? How would you encourage another person who asked you how s/he could live a full life?

Musings:

Prayer of Pope Francis to Mary, Mother of Silence
Mother of silence, who watches over the mystery of God,
Save us from the idolatry of the present time, to which those who forget are condemned.
Purify the eyes of Pastors with the eye-wash of memory:
Take us back to the freshness of the origins, for a prayerful, penitent Church.
Mother of the beauty that blossoms from faithfulness to daily work,
Lift us from the torpor of laziness, pettiness, and defeatism.
Clothe Pastors in the compassion that unifies, that makes whole;
Let us discover the joy of a humble, brotherly, serving Church.
Mother of tenderness who envelops us in patience and mercy,
Help us burn away the sadness, impatience and rigidity of those who do not know what it means to belong.
Intercede with your Son to obtain that our hands, our feet, our hearts be agile:
let us build the Church with the truth of love.
Mother, we shall be the People of God, pilgrims bound for the Kingdom.

The Deep End – Charity and Dignity: Mary Anne Stokes (Vincentian Lay Missionaries [VLM])

A number of years ago, I began working for a well-known homeless charity. At the induction week we had the privilege of being addressed by a leading campaigner against homelessness in Dublin city. 'Do not give broken cups to broken people' resonated from the address and has stayed with me ever since.

As acts of charity many people are often inclined to give or donate old items that they no longer have use for. Within this there is a sincere act of generosity and perhaps a desire of not letting anything go to waste. However, there is a challenge here to consider the recipient's feelings on being handed worn out clothes, almost out of date food or damaged toys. How, perhaps, is this impacting on their feeling of worth in society today? Are they not worthy of some new clothes to regain their sense of pride? Some fresh and tasty food to nourish their bodies? Some new, clean toys, the same as other children their age?

These are superficial examples but point towards a challenge to society to provide services of the highest standards to vulnerable people. History and even recent news stories from both home and abroad have presented infuriating examples time and again. Good intentions need to be coupled with thoughtfulness and a determination to give only the best to our neighbour most in need, to show them that they are respected and loved.

Greencastle St. Patrick's GAC and Greencastle Community Association are working together to begin developing a shared Community Hub

This is essentially a 10-15 year plan to improve the facilities in our community for the benefit of our residents.

We now have eighteen groups who use the facilities at the community centre and our resources are stretched to accommodate everyone—we need more space.

An Caisleán Glas Community Hub will take the form of a 3-phase development with the first phase incorporating a new shared / educational space, a multi-purpose gym/spinning studio, an exhibition area and additional multi-purpose rooms.

To allow this development plan to proceed we need as many people as possible to complete our community questionnaire which will be available at the community centre through the various groups/classes, the shop and school.

The questionnaire will also be available online

Everyone who fully completes the questionnaire is entered into a draw to win £50.

We would also like to invite people to come along to the club rooms to see the plans at 'design concept stage' and participate in a unique opportunity to influence this plan.

This Week's Calendar of Feasts and Saints:

Tuesday 31st October – Blessed Dominic Collins (martyr) He was born around 1566 in the city of Youghal, Co. Cork. In 1598, after a military career, he entered the Society of Jesus as a Brother. He returned to Ireland in 1601, but on 17th June, 1602 he was captured by the English who tried in vain to make him abjure his faith. Condemned to death, he was hanged in his native city on 31st October, 1602.

Wednesday 1st November – All Saints' Day Arose out of the Christian tradition of celebrating the martyrdom of saints on the anniversary of their martyrdom. When martyrdoms increased during the persecutions of the late Roman Empire, local dioceses instituted a common feast day in order to ensure that all martyrs, known and unknown, were properly honoured.

Thursday 2nd November – All Souls' Day A commemoration of the faithfully departed. To remember the departed, many cultures prepare meals for the souls of the dead, light candles or leave flowers on relatives' graves and some anoint tombstones with holy water or pour milk over them.

Foyle Hospice – Become a Compassionate Neighbour: Do you have 1-2 hours free once a week to support Foyle Hospice's Compassionate Communities 'Reach Out' voluntary befriending service. It might be as simple as calling in for a cup of tea and a chat, or taking someone out to do a bit of shopping. A volunteer's visit is invaluable to someone who is feeling lonely and isolated due to an illness. Full training and ongoing support with additional training opportunities are offered to all volunteers.
