Celebrating Mary in the Month of May: May is a very special month for the Church as we remember Mary, the Mother of Jesus and our Mother. A full month is given over to Mary and during this month we are encouraged to honour Mary in different ways. To help parishes, families and schools to do this, the Diocesan Catechetical Centre has created a number of resources including prayers, Gospel reflections, colouring and craft activities, examples of May Altars and ideas on how to pray the Rosary.
Resources are available online at catecheticalcentre.org/category/celebrating-mary-in-the-month-of-may-2021/

Seeing your life through the lens of the gospel: *John Byrne OSA (jpbymeosa@gmail.com)*

- In a relationship, connectedness is important. Relationships cannot be taken for granted and need time and care to be life-giving. What does your experience tell you of the truth of this in your relationships with God • with your friends • with your family • with communities or groups to which you belong?
- Over the past year our usual relationships have been disrupted by coronavirus restrictions on social gatherings. How has this impacted on your family, parish, and other groups to which you belong? What creative ways have you, and others, devised to keep your social life alive?
- In *The Joy of the Gospel* Pope Francis wrote 'I invite all Christians, everywhere, at this very moment to a renewed personal encounter with Jesus Christ.' He goes on to suggest that when individuals, or groups, focus on Jesus there is an increase of energy and vitality. Have you seen this happen?
- The parable also reminds us that we are not the source of our own life. It is a gift from God, from our parents, and from all who have nourished us. Give thanks for those who have been a source of life for you.

Prayer of St. Teresa of Avila
"Let nothing disturb you, let nothing frighten you. All things are passing away: God never changes. Patience obtains all things. Whoever has God lacks nothing; God alone suffices."

Guidelines on Use of Modern Technology when Working with Children – Use of Photography and Video:
The use of photography and video is an issue of great concern among those working with children. The Diocese recognises that every parish has their own arrangements in relation to its use in schools, youth groups and for the sacraments however the guidelines have been devised below to aid parishes and diocesan groups:

- It is always good practice to seek *written* permission from a parent or guardian before taking any photographs or video footage of children. This written permission must be sought from the parent/guardian or the person who owns the photograph before it can be displayed on promotional materials or websites. This can be incorporated in the registration form when a child joins a group (template permission Resource 10);
- Neither names nor any personal information should be displayed alongside any photographs;
- Special consideration should be given where taking photographs or video footage might be misinterpreted, or the images could be seen as provocative (e.g. beach trip or gymnastics display etc.). It is not to say, however, that with the right planning, these events cannot be recorded and enjoyed.

Photography and video recording are important methods of recording social activity and providing an historic record – illustrating and validating important moments in people's lives. This process is a powerful and personal one, and therefore we must respect the rights of all to make the choice whether or not to be photographed.
From Safeguarding Policy and Procedures, published on behalf of the Diocesan Safeguarding Committee

Child Safeguarding: If you or anyone you know has a concern or wishes to report an allegation directly to the statutory authorities, please contact the PSNI / local Health and Social Care Trust. If you are contacting the latter, ask to speak to the Duty Social Worker. Alternatively, if you have a child safeguarding concern in relation to any member of Church personnel and wish to report it to Church authorities, please contact one of the diocesan designated persons, who will in turn report your concern to the relevant statutory authorities. *See poster at entrance*

Pope Francis' Prayer for Protection: O Mary, you shine continuously on our journey as a sign of salvation and hope. We entrust ourselves to you, Health of the Sick. At the foot of the Cross you participated in Jesus' pain, with steadfast faith. You know what we need. We are certain that you will provide, so that, as you did at Cana of Galilee, joy and feasting might return after this moment of trial. Help us, Mother of Divine. Love to conform ourselves to the Father's will and to do what Jesus tells us: He who took our sufferings upon Himself, and bore our sorrows to bring us, through the Cross, to the joy of the Resurrection. Amen. We seek refuge under your protection, O Holy Mother of God. Do not despise our pleas – we who are put to the test – and deliver us from every danger, O glorious and blessed Virgin.

What Is Spiritual Communion? It has long been a Catholic understanding that when circumstances prevent one from receiving Holy Communion, it is possible to make an Act of Spiritual Communion, which is a source of grace. Spiritual Communion is an ardent desire to receive Jesus in the Most Holy Sacrament and lovingly embrace him at a time or in circumstances when one cannot receive Him in sacramental Communion. The most common reason for making an Act of Spiritual Communion is when a person cannot attend Mass. Acts of Spiritual Communion increase our desire to receive sacramental Communion and help us avoid the sins that would make us unable to receive Holy Communion worthily.

Spiritual Communion Prayer: My Jesus, I believe that you are present in the Most Holy Sacrament. I love you above all things and I desire to receive you in my soul. Since I cannot at this moment receive you sacramentally, come at least spiritually into my heart. I embrace you as if you were already there and unite myself wholly to you. Never permit me to be separated from you. *Amen*

The Spiritual Benefits of Weekly Eucharistic Adoration
It helps us to grow in holiness. Jesus is ready to lavish on us, many extra graces and blessings, when we come and spend time with Him in Adoration. It helps us to appreciate Priesthood. Remember, "No Priests, no Eucharist". It is an established fact that where Jesus in the Blessed Sacrament is worshipped and adored vocations flourish. When we spend time with Jesus in Eucharistic Adoration each week or more often, we experience a great peace and contentment.
"...of all devotions, that of adoring Jesus in the Blessed Sacrament is the greatest after the Sacraments themselves". *Pope St. John Paul II*

The Deep End – Bound Together: *Triona Doherty (trionad@gmail.com)*
Have you ever visited a vineyard, with its rows of vines, heavy with clusters of ripe grapes? If you're not familiar with vines, think of an apple tree laden with apples, or a fruit bush ripe for picking. In today's Gospel, Jesus uses the metaphor of a vine to describe his relationship with his disciples. He tells them that he is the vine, and they are the branches. The life of Jesus flows into us and sustains us, and this is the reason our lives can bear fruit in love, in kindness, patience, compassion and welcome.
The symbolism of the vine works on many levels. If a branch is separated from the vine, it cannot flourish on its own. It must be connected to the vine from which it gets its nourishment. Each of us must be firmly rooted in Jesus and nourish that relationship. He invites us to 'remain' in him - to rest in him, to be part of him. And if you look at a vine plant, often its branches are so entangled, it can be hard to know where one ends and another begins. We note that Jesus is addressing the disciples as a group rather than as individuals: 'you are the branches'. We are a community, and we grow together, bound together by the love of God.
Today, we reflect on what it means to be so intimately connected with Jesus, the true vine. We bring to mind the many gifts he has given us, and the ways in which his love bears fruit in our lives.
