**Guidelines on Use of Modern Technology when Working with Children – Use of Photography and Video:**  
The use of photography and video is an issue of great concern among those working with children. The Diocese recognises that every parish has their own arrangements in relation to its use in schools, youth groups and for the sacraments however the guidelines have been devised below to aid parishes and diocesan groups:

- It is always good practice to seek *written* permission from a parent or guardian before taking any photographs or video footage of children. This written permission must be sought from the parent/guardian or the person who owns the photograph before it can be displayed on promotional materials or websites. This can be incorporated in the registration form when a child joins a group (template permission Resource 10);
- Neither names nor any personal information should be displayed alongside any photographs;
- Special consideration should be given where taking photographs or video footage might be misinterpreted, or the images could be seen as provocative (e.g. beach trip or gymnastics display etc.). It is not to say, however, that with the right planning, these events cannot be recorded and enjoyed.

Photography and video recording are important methods of recording social activity and providing an historic record – illustrating and validating important moments in people's lives. This process is a powerful and personal one, and therefore we must respect the rights of all to make the choice whether or not to be photographed.  
*From Safeguarding Policy and Procedures, published on behalf of the **Diocesan Safeguarding Committee***

**Child Safeguarding:** If you or anyone you know has a concern or wishes to report an allegation directly to the statutory authorities, please contact the PSNI / local Health and Social Care Trust. If you are contacting the latter, ask to speak to the Duty Social Worker. Alternatively, if you have a child safeguarding concern in relation to any member of Church personnel and wish to report it to Church authorities, please contact one of the diocesan designated persons, who will in turn report your concern to the relevant statutory authorities. *See poster at entrance*

**Prayer for the End of the Virus:** Almighty and merciful Father, who show your love to all your creation. We come before you asking for an end of the Coronavirus currently ravaging our world. We pray that an effective medicine to combat the sickness be speedily found. We pray for the relevant governments and health authorities, that they take appropriate steps for the good of the people. Look upon us in your mercy and forgive us our failings. *Amen*

**Barnardo's NI – Can You Foster?** Could you give a home to a vulnerable child when they need it most? *To learn more call (028) 9065 2288 or visit [barnardos.org.uk/foster](http://barnardos.org.uk/foster)*

**Pope Francis' Prayer for Protection:** O Mary, you shine continuously on our journey as a sign of salvation and hope. We entrust ourselves to you, Health of the Sick. At the foot of the Cross you participated in Jesus' pain, with steadfast faith. You know what we need. We are certain that you will provide, so that, as you did at Cana of Galilee, joy and feasting might return after this moment of trial. Help us, Mother of Divine. Love to conform ourselves to the Father's will and to do what Jesus tells us: He who took our sufferings upon Himself, and bore our sorrows to bring us, through the Cross, to the joy of the Resurrection. Amen. We seek refuge under your protection, O Holy Mother of God. Do not despise our pleas – we who are put to the test – and deliver us from every danger, O glorious and blessed Virgin.

**What Is Spiritual Communion?** It has long been a Catholic understanding that when circumstances prevent one from receiving Holy Communion, it is possible to make an Act of Spiritual Communion, which is a source of grace. Spiritual Communion is an ardent desire to receive Jesus in the Most Holy Sacrament and lovingly embrace him at a time or in circumstances when one cannot receive Him in sacramental Communion. The most common reason for making an Act of Spiritual Communion is when a person cannot attend Mass. Acts of Spiritual Communion increase our desire to receive sacramental Communion and help us avoid the sins that would make us unable to receive Holy Communion worthily.

**The Spiritual Benefits of Weekly Eucharistic Adoration**

It helps us to grow in holiness. Jesus is ready to lavish on us, many extra graces and blessings, when we come and spend time with Him in Adoration. It helps us to appreciate Priesthood. Remember, "No Priests, no Eucharist". It is an established fact that where Jesus in the Blessed Sacrament is worshipped and adored vocations flourish. When we spend time with Jesus in Eucharistic Adoration each week or more often, we experience a great peace and contentment.

"...of all devotions, that of adoring Jesus in the Blessed Sacrament is the greatest after the Sacraments themselves". *Pope St. John Paul II*

**Seeing your life through the lens of the gospel:** *John Byrne OSA ([jpbyrneosa@gmail.com](mailto:jpbyrneosa@gmail.com))*

1. The healing of the deaf mute provides us with an opportunity to reflect on the importance of communication in our lives. The healing touch of Jesus brought the man from isolation into community. Who have been the people who touched you when you felt isolated and alone (perhaps during the recent lockdown)and helped you to come out of painful aloneness? For whom have you done this?
2. Deafness is symbolic of being unable to hear what is being said to us. What a difference when our ears are opened! Perhaps you can recall a time when your ears were opened and you heard in a new way that you were loved - by God or by another person.
3. Words are not the only form of communication. Actions can speak louder than words. Recall times when this was brought home to you.
4. Being able to say what is in you is the other side of communication. Perhaps there have been occasions when you have struggled to find words to express what is deepest in you - your faith, your values, your love. Then something changed and you found the words. What was it like to be able to express your deepest self?

**The Deep End – Ephphatha:** *Jane Mellett ([mellettj@gmail.com](mailto:mellettj@gmail.com))*

This Sunday is the First Sunday of the Season of Creation, a global ecumenical season which runs from 1 September until the Feast of St Francis of Assisi, 4 October. All Christians are invited to embrace this season in prayer, especially in our liturgies, in deep reflection, in living more sustainably and in raising our voices in the public sphere. We are invited to think more deeply about what is happening at present to the earth, the environmental destruction which now threatens our world and the call to 'eco-conversion'. The theme for this year's Season is 'Restoring Our Common Home'. It offers all of us a unique opportunity to renew our vocation to care more deeply God's creation.

In today's Gospel Jesus heals a man who was deaf and who had a speech impediment. Jesus says to him, 'Ephphatha,' which means Be Opened. Immediately this man was healed. There are many issues in our world to which we might be deaf or are 'closed' to, sometimes because they overwhelm us. The environmental crises are an example. Pope Francis invites us in Laudato Si', his letter on the environment, to really hear and listen to the earth, which is crying out to us, to the scientific community who are sounding the alarm bells, to young people who are deeply concerned. Ephphatha! May we be open to hearing these cries, to praying for our world and to take action where we can. We begin with the small actions and encourage others to do the same. Ephphatha!

Let us all be open to this call to care more deeply and 'Restore Our Common Home'.
