Guidelines on Use of Modern Technology when Working with Children – *Use of Photography and Video*: The use of photography and video is an issue of great concern among those working with children. The Diocese recognises that every parish has their own arrangements in relation to its use in schools, youth groups and for the sacraments however the guidelines have been devised below to aid parishes and diocesan groups:

- It is always good practice to seek *written* permission from a parent or guardian before taking any photographs or video footage of children. This written permission must be sought from the parent/guardian or the person who owns the photograph before it can be displayed on promotional materials or websites. This can be incorporated in the registration form when a child joins a group (template permission Resource 10);
- Neither names nor any personal information should be displayed alongside any photographs;
- Special consideration should be given where taking photographs or video footage might be misinterpreted, or the images could be seen as provocative (e.g. beach trip or gymnastics display etc.). It is not to say, however, that with the right planning, these events cannot be recorded and enjoyed.
- Photography and video recording are important methods of recording social activity and providing an historic record

- illustrating and validating important moments in people's lives. This process is a powerful and personal one, and therefore we must respect the rights of all to make the choice whether or not to be photographed.

Broughderg Old Cemetery: Sometime in the early part of the New Year an operation will begin to remove trees both on the periphery of and within the Broughderg Old Cemetery. Many of these trees have been causing some difficulty at various graves and keeping them neat and tidy has also been troublesome for families. Some of the trees have also become dangerously tall and could cause damage if they were to fall. This is going to be a costly operation and is the first stage of a 3-stage scheme.

Stage 2 will include drainage and stage 3 some pathways.

Some additional fundraising will be required and we look forward to organising some such events in due course

Towards Peace: A spiritual support service designed for those who have experienced sexual, physical, emotional or spiritual abuse by Catholic Church personnel in Ireland. Towards Peace provides spiritual support through one-to-one spiritual direction sessions, with a qualified spiritual companion. Up to 9 sessions are offered and they are free.

This Week's Calendar of Feasts and Saints:

Sunday 7 th January – Baptism of the Lord Commemorates baptism of Jesus in Jordan River by John the Baptist.
Saturday 13th January - St. Hilary (bishop and doctor of the Church) [c.315-c.367] Elected bishop of
Poitieres c.358 and distinguished himself by his stand against Arianism. In exile
(356-359) by order of Emperor Constantine, he used the time to write. His major
works include De Trinitate, a study of the Trinity.

Seeing your life through the lens of the gospel – Mark 1:7-11:

John Byrne OSA (jpbyrneosa@gmail.com)

- 1. John gives an example of humility as a person confident in his own role but not seeking to claim to be more than he is. He is able to acknowledge that Jesus is greater. There is a freedom in being able to acknowledge the gifts of others without losing a sense of one's own giftedness. Recall times when you were able to do this.
- 2. The baptism of Jesus was an extraordinary religious experience for him. Something happened that was a major step forward for Jesus in coming to know that he was the beloved Son of God. We all have events in our lives that are milestones along the road of discovering who we are. What have been these milestones for you?
- 3. 'You are my Son, the Beloved; with you I am well pleased.' Bring to mind memories of experiences in which you knew you were the beloved (of God or of another person) and that the one who loved you was well pleased. Bring these experiences to mind with gratitude, knowing that the only proper response to love received is thankfulness. Perhaps you have also given that experience to another.
- 4. It is easy to lament the growing secularisation in the world today, but the Spirit of God who spoke loudly to the world in the Christ-event is active today. How can we be open to the new things the Spirit is saying to the Church today?

The Deep End – A Searching God:

Tríona Doherty, Athlone, Co. Roscommon (trionad@gmail.com)

He came in search of John He came in search of baptism He came in search of blessing He came in search of the Spirit He came in search of God's favour He came in search of God's love

The first active step that Jesus takes as he begins his ministry is to search. He journeys from Nazareth to the River Jordan to find John, in order to be baptised. While John feels he is 'not fit to kneel down and undo the strap of his sandals', Jesus still seeks him out. He needs this moment of baptism and blessing to begin his ministry. This is his moment of divine calling and endorsement from the Father: 'You are my Son, the Beloved; my favour rests on you.'

We know what it is like to search. We yearn for meaning, for love, and our hearts are always searching for God. Today's first reading from Isaiah speaks of this great thirst: 'Oh come to the water all you who are thirsty'; 'Seek the Lord while he is still to be found'. We must seek constantly to bring ourselves into the presence of God, who will give us his blessing and strength for the road ahead.

> You have made us for yourself, and our hearts are restless, until they can find rest in you St. Augustine
