Thought for the Week: "In Christ, God is supreme, but not in the old discredited paradigm of supremacy: God is the supreme healer, the supreme friend, the supreme lover, the supreme life-giver who self-empties in gracious love for all. The king of kings and lord of lords is the servant of all and the friend of sinners. The so-called weakness and foolishness of God are greater than the so-called power and wisdom of human regimes."
Brian McLaren

Trócaire Emergency Appeal: A terrible hunger crisis is raging across East Africa, driven by escalating climate change, conflict, swarms of desert locusts and Covid. Over 30 million children, women and men are being pushed into starvation. People and their livestock are dying. Without emergency food and aid, many more won't survive. Lives depend on our ability to reach them.

South Sudan, Somalia, Ethiopia and the state of South Kordofan in Sudan especially are being brought to their knees by sparse and delayed average rainfalls which are the result of climate change. A grim third wave of Covid and regional conflict are making matters worse.

Yet, with your help it is not too late to reduce tragic loss of life and ease suffering. The Irish Bishops Conference has agreed for an emergency collection to take place in all parishes on Saturday 6th and Sunday 7th November.

Our parish's emergency collection will support Trócaire's work in the countries of East Africa and in nearby countries similarly affected, and rush urgent food, water, and lifesaving aid to people who desperately need your love now.

Please help if you can. Trócaire are rushing emergency food and aid into devastated communities to keep people alive and working with tireless local church groups to do all we can. Please support this appeal by placing an envelope marked 'Trócaire Emergency Appeal' along with your parish envelope and leave it in the usual places.

Many thanks in advance for your support

The Spiritual Benefits of Weekly Eucharistic Adoration

It helps us to grow in holiness. Jesus is ready to lavish on us, many extra graces and blessings, when we come and spend time with Him in Adoration. It helps us to appreciate Priesthood. Remember, "No Priests, no Eucharist". It is an established fact that where Jesus in the Blessed Sacrament is worshipped and adored vocations flourish. When we spend time with Jesus in Eucharistic Adoration each week or more often, we experience a great peace and contentment.

"...of all devotions, that of adoring Jesus in the Blessed Sacrament is the greatest after the Sacraments themselves". *Pope St. John Paul II*

Red Cross: Can you spare 1 hour a week? Would you like to help the Red Cross care for people in your local community? We are looking for volunteers for our wheelchair service and volunteer drivers to help with deliveries and collections. No experience necessary. Full training provided and volunteer expenses reimbursed.

Guidelines on Use of Modern Technology when Working with Children – Use of Photography and Video:

The use of photography and video is an issue of great concern among those working with children. The Diocese recognises that every parish has their own arrangements in relation to its use in schools, youth groups and for the sacraments however the guidelines have been devised below to aid parishes and diocesan groups:

- It is always good practice to seek *written* permission from a parent or guardian before taking any photographs or video footage of children. This written permission must be sought from the parent/guardian or the person who owns the photograph before it can be displayed on promotional materials or websites. This can be incorporated in the registration form when a child joins a group (template permission Resource 10);
- Neither names nor any personal information should be displayed alongside any photographs;
- Special consideration should be given where taking photographs or video footage might be misinterpreted, or the images could be seen as provocative (e.g. beach trip or gymnastics display etc.). It is not to say, however, that with the right planning, these events cannot be recorded and enjoyed.

Photography and video recording are important methods of recording social activity and providing an historic record – illustrating and validating important moments in people's lives. This process is a powerful and personal one, and therefore we must respect the rights of all to make the choice whether or not to be photographed.

From Safeguarding Policy and Procedures, published on behalf of the Diocesan Safeguarding Committee

We pray that an effective medicine to combat the sickness be speedily found. We pray for the relevant governments and health authorities, that they take appropriate steps for the good of the people. Pope Francis' Prayer for Protection: O Mary, you shine continuously on our journey as a sign of salvation and hope. We entrust ourselves to you, Health of the Sick. At the foot of the Cross you participated in Jesus' pain, with steadfast faith. You know what we need. We are certain that you will provide, so that, as you did at Cana of Galilee, joy and feasting might return after this moment of trial. Help us, Mother of Divine. Love to conform ourselves to the Father's will and to do what Jesus tells us: He who took our sufferings upon Himself, and bore our sorrows to bring us, through the Cross, to the joy of the Resurrection. Amen. We seek refuge under your protection, O Holy Mother of God. Do not despise our pleas – we who are put to the test – and deliver us from every danger, O glorious and blessed Virgin.

Prayer for Synod on Synodality (2021 – 2023)

We stand before You, Holy Spirit, as we gather together in Your name. With You alone to guide us, make Yourself at home in our hearts; Teach us the way we must go and how we are to pursue it.

We are weak and sinful; do not let us promote disorder. Do not let ignorance lead us down the wrong path nor partiality influence our actions.

Let us find in You our unity so that we may journey together to eternal life and not stray from the way of truth and what is right. All this we ask of You, who are at work in every place and time, in the communion of the Father and the Son, forever and ever. *Amen*

What Is Spiritual Communion? It has long been a Catholic understanding that when circumstances prevent one from receiving Holy Communion, it is possible to make an Act of Spiritual Communion, which is a source of grace. Spiritual Communion is an ardent desire to receive Jesus in the Most Holy Sacrament and lovingly embrace him at a time or in circumstances when one cannot receive Him in sacramental Communion. The most common reason for making an Act of Spiritual Communion is when a person cannot attend Mass. Acts of Spiritual Communion increase our desire to receive sacramental Communion and help us avoid the sins that would make us unable to receive Holy Communion worthily.

Derry Diocesan Pilgrimage to Lourdes: Although mindful of all the uncertainties we face at this time, the Pilgrimage Director and staff have begun planning for a return to Lourdes in early summer of 2022. While it is still too early to provide details, it is intended that the date and duration will be as in recent years and hopefully these will be confirmed and announced by the end of 2021. We ask for the prayers of the people of the diocese so that, by the grace of God and intercession of Our Lady of Lourdes, we may return to Lourdes once more.

Seeing your Life through the Lens of the Gospel:

John Byrne OSA (jbyrneosa@gmail.com)

1. The scribes are presented as ostentatious and devious, acting more out of self-interest than the love of God or people. There can be a element of self-interest in each of us. Perhaps there have been times when you have been disturbed by glimpsing in yourself 'other motives' in your doing good. Recall when you were awakened to this fact. Where was the good news for you in that awakening?
2. In material terms what the widow had to offer was very little. Recall when you felt yourself called to give and gave even though you apparently had very little. Perhaps you have had the experience of finding that what you thought was little and insignificant meant a great deal to another person. Recall some of those moments.
3. At this critical moment for the church Pope Francis has called a synod and has invited all believers to make a contribution. It's easy for us to see this as a call to professional church people, clergy and religious. They have always taken care of this kind of thing. Now the call is that the voices of the little ones can also be heard. How can you help this to happen in your church community?
