Guidelines on Use of Modern Technology when Working with Children – Use of Photography and Video. The use of photography and video is an issue of great concern among those working with children. The Diocese recognises that every parish has their own arrangements in relation to its use in schools, youth groups and for the sacraments however the guidelines have been devised below to aid parishes and diocesan groups:

- It is always good practice to seek *written* permission from a parent or guardian before taking any photographs or video footage of children. This written permission must be sought from the parent/guardian or the person who owns the photograph before it can be displayed on promotional materials or websites. This can be incorporated in the registration form when a child joins a group (template permission Resource 10);
- Neither names nor any personal information should be displayed alongside any photographs;
- Special consideration should be given where taking photographs or video footage might be misinterpreted, or the images could be seen as provocative (e.g. beach trip or gymnastics display etc.). It is not to say, however, that with the right planning, these events cannot be recorded and enjoyed.
- Photography and video recording are important methods of recording social activity and providing an historic record illustrating and validating important moments in people's lives. This process is a powerful and personal one, and therefore we must respect the rights of all to make the choice whether or not to be photographed.

Sacrament of Reconciliation / Confession: The Sacrament of Reconciliation better known as Confession is very important and vital part of our lives as Catholics. In order to make this Sacrament more available to parishioners I will be adding some additional times to Confession Times, beginning Thursday 1st October. I hope to talk about this Sacrament over the coming weeks particularly as we are approaching the beginning of the Year of Mercy in the Church and then talk about our Celebration of Mass highlighting the centrality of the Eucharist and how it is celebrated in our lives as Catholics. The times for Confession will be as follows.

St. Patrick's: Eve of First Friday from after 10.00am Mass until 11.00am when mass is celebrated with Adoration of the Blessed Sacrament during that time except when there is a funeral or no mass First Saturday of each month from after mass until 11.30am with Adoration unless there is a 12noon wedding Each Saturday Evening 5.30pm-5.50pm and after Vigil Mass

Our Lady of the Wayside: Each Sunday 10.30am to 10.50am and after 11.00am Mass

Musings

Salvador Ryan (St. Patrick's College, Maynooth)

Today's Psalm recounts how Tabor and Hermon 'sing for joy at your name', and those who have learned to acclaim the Lord 'rejoice in your name all day long' and 'celebrate'. I often wonder how convincing our liturgical 'celebrations' actually are. The old chestnut of why the Irish never sing in church comes to mind. Oftentimes in our parishes a CD of liturgical music is offered as a pale substitute for our natural voices. And yet how strange it would be if it were necessary for the GAA authorities at Croke Park to play pre-recorded cheers of a match-going crowd in the presence of a packed stadium of muted fans!

Seeing your life through the lens of the gospel – Mark 10: 17-30: John Byrne OSA (john@orlagh.ie)

- 1. We often get satisfaction from the things we own, clothes, cars, homes, gadgets or money. There would be something unnatural if we did not. But what happens to us when our possessions begin to 'own' us, when they take a hold of us, when we become obsessed with them? Jesus seeks followers who have the freedom to let go of possessions in order to be a servant of others. In whom have you seen this freedom? When have you experienced it yourself?
- 2. Growth implies change. That change sometimes means letting go of something we have at this moment: job, status, home, security or something else we value. There can be an apparent loss in letting go. Yet have you ever found that you actually gained by having the freedom to let go of something to which you had previously clung?
- 3. The disciples thought that Jesus was making impossible demands of people following him. He acknowledged that discipleship was impossible to us on our own efforts alone. How have you experienced the benefits of the help of others and of God when you were faced with difficulties in life?

The Deep End - Giving It All Up:

Tríona Doherty, Athlone, Co. Roscommon (trionad@gmail.com)

If your house was on fire and you could save one thing, what would it be? We often hear this question posed, and our response is supposed to tell us something about ourselves and our priorities. Many say they would choose to save treasured family photos, letters, gifts or heirlooms. Others might rescue a laptop or their music or book collection. The question makes us think about what is really important to us. Often people conclude that once their loved ones were safe, they would be happy. Everything else is just stuff. And yet we accumulate so much of it! Of course, we need to feed and clothe ourselves and our families, and to keep a roof over our heads, and we all have our little luxuries and indulgences. But where do we draw the line? How important are possessions to us? What would we give up easily – and what would be more difficult?

For the man who approaches Jesus in today's Gospel, the stakes are too high. He is living a good life and keeping God's commandments, but he is unable, or unwilling, to make the final push and give up his attachment to wealth and possessions. There is no doubt that it is a radical demand that Jesus makes of him. It might seem impractical to us who hear this message today. How do we give everything away to follow Jesus?

Start today: think about your contributions to charity or to your parish – do you really give as much as you can afford? Is there some luxury – a daily take-away coffee, for example – that you could forego and give the money to charity? Could you spare some time for a good cause? Start heading down this path and who knows where it will lead!
