**World Meeting of Families 2018 Prayer**  
 God, our Father, we are brothers and sisters in Jesus your Son, one family, in the Spirit of your love.  
 Bless us with the joy of love. Make us patient and kind, gentle and generous, welcoming to those in need. Help us to live your forgiveness and peace. Protect all families with your loving care, especially those for whom we now pray [PAUSE AND REMEMBER FAMILY MEMBERS AND OTHERS BY NAME].  
 Increase our faith, strengthen our hope, keep us safe in your love, make us always grateful for the gift of life that we share. This we ask, through Christ our Lord, Amen. Mary, mother and guide, pray for us.

**Derry Diocesan Pastoral Plan 2018-2021 – God is Love:** Bishop McKeown has announced the publication of a Diocesan Pastoral Plan for 2018-2021 in the diocese, 'God is Love'. The Plan is the result of a two-year programme of work by the Interim Diocesan Pastoral Council, consisting of 14 men and women - laity from across the diocese, Religious and clergy. It is a first step in developing a co-responsible Church at parish and diocesan level, identifying paths that might lead to solutions to the many challenges we face, including the practical need to plan for the times when priests will not be present in the way that they have been up to now. A number of printed copies of the Plan have been received for the parish and a PDF version of it is also available to view and download on the diocesan website – derrydiocese.org – you are invited to read it. The main work of implementing the Plan will begin after the summer break. Bishop McKeown asks for your prayers and support, in the knowledge that everything done in faith and love will bear fruit in God's own good time.

**Seeing your life through the lens of the gospel – John 6:41-51:** *John Byrne OSA (jpbymeosa@gmail.com)*

1. Faith is reasonable but we cannot reason our way into faith. We have to be 'drawn by the Father'. We have to be 'taught by God'. What opens your mind and heart to God's message?
2. When we label others disparagingly, we close our minds to what they are saying. The Jews did this to Jesus. Have you ever had the experience of being surprised by the wisdom of another when you laid aside your prejudices about them to listen to what they were saying?
3. 'No one has ever seen the Father except the one who is from God'. As Jesus put a human face on God and God's love, so God's love today is mediated to us through one another. How have other people been sacraments of God's love for you? For whom have you been that kind of a sacrament?
4. The way in which Jesus became a source of life for us was by giving himself. It is when we truly give ourselves that we can be life-giving to one another. If we do not give of ourselves, what do we have to offer? How have you discovered the importance of self-giving, in yourself or in others?

**Musings:** 'Here too, we can ask: How do we keep our faith as a family? Do we keep it for ourselves, in our families, as a personal treasure like a bank account, or are we able to share it by our witness, by our acceptance of others, by our openness? We all know that families, especially young families, are often 'racing' from one place to another, with lots to do. But did you ever think that this 'racing' could also be the race of faith? Christian families are missionary families ... They are missionary in everyday life, in their doing everyday things, as they bring to everything the salt and the leaven of faith! Keeping the faith in families and bringing to everyday things the salt and the leaven of faith.' *Pope Francis, homily at Mass in St. Peter's Square (Sunday 27<sup>th</sup> October, 2013)*

**The Deep End – Under the Bush:**

*Triona Doherty, Athlone, Co. Roscommon (trionad@gmail.com)*

When a prophet sits under a bush, it's usually a sign that things are not going well! At a particularly low moment in his relationship with God, the prophet Jonah sits, in an angry sulk, under a bush. While there he encounters God and learns a valuable lesson about mercy.

In today's first reading, it is the prophet Elijah who sits under a bush. He is on his last legs, having escaped into the desert to avoid capture and death. At this low point, a day's journey into the wilderness, he has had enough. He finds himself begging God to take his life.

It is a moment that will speak to many of us, particularly those of us facing struggles. Things can get on top of us. We sometimes feel alone, that our road is all uphill, that we are in the wilderness and there is nothing to do but give up. Yet when Elijah is at his lowest point, even getting ready to die, he finds he is not alone. The comforting presence of God is with him, offering sustenance to help him on his journey.

Elijah's response to God is at first reluctant; he lies straight back down again. But with a second round of encouragement (and some more food) he is on his feet and able to continue his journey, replenished and renewed. At the moment he felt the most abandoned and alone, God was closer than ever.

**Guidelines on Use of Modern Technology when Working with Children – Use of Photography and Video:**

The use of photography and video is an issue of great concern among those working with children. The Diocese recognises that every parish has their own arrangements in relation to its use in schools, youth groups and for the sacraments however the guidelines have been devised below to aid parishes and diocesan groups:

- It is always good practice to seek *written* permission from a parent or guardian before taking any photographs or video footage of children. This written permission must be sought from the parent/guardian or the person who owns the photograph before it can be displayed on promotional materials or websites. This can be incorporated in the registration form when a child joins a group (template permission Resource 10);
- Neither names nor any personal information should be displayed alongside any photographs;
- Special consideration should be given where taking photographs or video footage might be misinterpreted, or the images could be seen as provocative (e.g. beach trip or gymnastics display etc.). It is not to say, however, that with the right planning, these events cannot be recorded and enjoyed.

Photography and video recording are important methods of recording social activity and providing an historic record – illustrating and validating important moments in people's lives. This process is a powerful and personal one, and therefore we must respect the rights of all to make the choice whether or not to be photographed.
