**St. John Paul II is celebrated** as one of the great saints of our time for his spiritual leadership and commitment to the family, which he emphasised throughout his papacy by his teachings on human dignity, love and the importance of faith. He had a particular love for the youth. He faced opposition with unwavering faith, showing humility and resilience in suffering. His writings made him a key figure in the Church's modern history and his legacy continues to inspire us to live out our faith courageously and to foster a "civilisation of love" in our world as opposed to the "culture of death" which now surrounds us. We invite you to open your hearts to the love of John Paul II by coming along to the Novena this week and receiving the many graces that will flow throughout the week.
