**Family Care Adoption Services:** Family Care Society is a voluntary adoption agency with its roots in the Catholic Church and we provide an adoption service throughout all of Northern Ireland. **Adopters Needed Now:** Family Care Society is presently seeking adoptive families who would be interested in parenting children aged between 2 to 6 years and need the love and attention of a caring and understanding family. Could this be you?

**Musings** *Salvador Ryan (St. Patrick's College, Maynooth)*  
 While we are accustomed to regarding Christ's cross as an emblem of suffering and shame, there is also a strong tradition of the cross as a symbol of victory. Late medieval Gaelic Irish poets routinely depicted Christ as a warrior, riding into battle on the cross (his horse) and achieving a stunning victory on Calvary over the forces of evil. One poem, possibly composed in honour of the relic of the True Cross at Holy Cross Abbey, County Tipperary, has Christ use the cross as a battering ram to break down the gates of hell' and release the captive.

**Guidelines on Use of Modern Technology when Working with Children: - Use of photography and video**  
 The use of photography and video is an issue of great concern among those working with children. The Diocese recognises that every parish has their own arrangements in relation to its use in schools, youth groups and for the sacraments however the guidelines have been devised below to aid parishes and diocesan groups:

- It is always good practice to seek *written* permission from a parent or guardian before taking any photographs or video footage of children. This written permission must be sought from the parent/guardian or the person who owns the photograph before it can be displayed on promotional materials or websites. This can be incorporated in the registration form when a child joins a group (template permission Resource 10);
- Neither names nor any personal information should be displayed alongside any photographs;
- Special consideration should be given where taking photographs or video footage might be misinterpreted, or the images could be seen as provocative (e.g. beach trip or gymnastics display etc.). It is not to say, however, that with the right planning, these events cannot be recorded and enjoyed.
- Photography and video recording are important methods of recording social activity and providing an historic record – illustrating and validating important moments in people's lives. This process is a powerful and personal one, and therefore we must respect the rights of all to make the choice whether or not to be photographed.

**A Farmer's Prayer**

Jesus, you are the Bread of Life, Food for our journey, You are the Vine and we are the branches, Drawing our life from you. As we seek to make out living from the land,	Bless the work of our hands. Each day we touch the beauty of your creation, Renew your love in our hearts. And as we see your plan at work in each season, Bring your peace to our home and to those we love.

*Amen*

**Prayer for the Diocese of Derry:** *Fr. Kieran Devlin P. Em (Badoney Lower, 2012)*  
 God our Father, we your people of the diocese of Derry, turn to you in prayer, as our ancestors have done, In good times and bad, since the days of Saint Columba and Saint Eugene, Saint Lurach and Saint Mura. Although aware that we are unworthy of your grace, with confidence in your love we ask your help. Support and care for our bishops in their retirement, give courage and vision to those who are called on to administer the diocese at this time. Grant your wisdom and discernment to those charged with the task of choosing your next bishop. We ask you this in the name of Jesus, your Son, our Lord.  
**Mary Mother of the Church, pray for us, Saint Columba, pray for us, Saint Eugene, pray for us, Saint Lurach pray for us, Saint Mura pray for us, all you saints of the diocese pray for us.**

**Seeing your life through the lens of the gospels – Matthew 3: 13-17:** *John Byrne OSA (john@orlagh.ie)*

1. In the Gospel of John the lifting up of Jesus on the cross is the climax of the revelation of God's love for us. How has the cross spoken to you of the love we have been shown in Jesus?
2. Jesus says the purpose of his life is that everyone who believes in him may have eternal life. In what ways has faith given you life and vitality?
3. Jesus said that he was sent to save and not to condemn. Remember what has helped you to see God as one who is fundamentally on your side in life, a God to be trusted and relied on rather than feared.
4. In presenting the purpose of his life as salvation rather than condemnation, Jesus tells us something about the purpose of every human life. It is to be life-giving, rather than destructive of life. Recall times your life was enriched by the words or actions of another. Remember also when you were able to do the same for another person.

**The Deep End – A Divine Attribute:** *Jane Mellett (janemellett@yahoo.com)*

Ten thousand talents today are estimated to be in the hundreds of millions! So it would be a foolish King who would allow a 'servant' to clock up debt to that amount (you would think!). Even though his debt is completely cancelled, the 'servant' is not so forgiving when it comes to his own household. One denarius would be the equivalent of the wages of a labourer for a day, so one hundred day's wages is a drop in the ocean in comparison. Those who witness these events are 'greatly distressed' and decide to protest. You don't have to look too far today to draw parallels to this parable.

Peter asks a vital question: how many times do you forgive? The answer may disturb some people but it can also liberate us if we allow it to: seventy-times-seven, i.e. an infinite number of times. This might seem idealistic and even ridiculous, but when we think more about it there is no other option. Without forgiveness we allow bitterness to engulf and torture us; zapping our energy; preventing us from being at peace with ourselves. When we only seek retribution, we enter into chaos.

To forgive is to set a prisoner free and discover that the prisoner was you.  
When we forgive evil we do not excuse it, we do not tolerate it, we do not smother it. We call it what it is, let its horror shock and stun and enrage us,  
and only then do we forgive it.

*Lewis B. Smedes*
