**Guidelines on Use of Modern Technology when Working with Children – Use of Photography and Video:**  
 The use of photography and video is an issue of great concern among those working with children. The Diocese recognises that every parish has their own arrangements in relation to its use in schools, youth groups and for the sacraments however the guidelines have been devised below to aid parishes and diocesan groups:

- It is always good practice to seek *written* permission from a parent or guardian before taking any photographs or video footage of children. This written permission must be sought from the parent/guardian or the person who owns the photograph before it can be displayed on promotional materials or websites. This can be incorporated in the registration form when a child joins a group (template permission Resource 10);
- Neither names nor any personal information should be displayed alongside any photographs;
- Special consideration should be given where taking photographs or video footage might be misinterpreted, or the images could be seen as provocative (e.g. beach trip or gymnastics display etc.). It is not to say, however, that with the right planning, these events cannot be recorded and enjoyed.

Photography and video recording are important methods of recording social activity and providing an historic record – illustrating and validating important moments in people's lives. This process is a powerful and personal one, and therefore we must respect the rights of all to make the choice whether or not to be photographed.

**Seeing your life through the lens of the gospel – Matthew 13:1-23:** John Byrne OSA ([jbyrneosa@gmail.com](mailto:jbyrneosa@gmail.com))

1. Jesus uses parables to make people think about their own responses to his message. As you read this parable you may recognize that at different times you have been like each of the different types of soil. As you recall times when you presented fertile soil for the Word of God, what helped you create that receptive atmosphere? What lessons for life do you get from that?
2. Parents with children, teachers with pupils, speakers with listeners, are all like sowers in a field where the preparation of the soil is up to another – the child, pupil or listener. They can sow the seed but cannot guarantee that it will bear fruit. At times there may be a temptation not to try any more. The challenge is to sow in hope. When have you been surprised by the harvest you have reaped?
3. 'We are wasting our time here' may sometimes be the apparent wisdom in a group. Have there been times when you have gone against this apparent wisdom and seen your efforts bear fruit?

**Musings – The Good Seed:**

*From Women in the Bible by Elizabeth Fletcher*

Although the life of a person is in a land full of thorns and weeds, there is always a space in which the good seed can grow. You have to trust God. *Pope Francis*

Jesus' parable of the sower is aimed at the people who listen, or ignore, his word. There are different ways of hearing God's word and they produce different kinds of fruit.

Working too hard to have time to hear God's word: There is the prejudiced hearer who has a shut mind. Such a person is unteachable and blind to the things of God.

The shallow hearer fails to think things out or think them through and lacks spiritual depth. They may initially respond with an enthusiasm, but when it wears off their mind wanders to something else.

Another type of hearer is the person who has many interests or cares, but lacks the ability to hear or comprehend what is truly important. Such a person is forever too busy to pray or too preoccupied to study and meditate on God's word. They may work so hard that they are too tired to even think of anything else but their work.

Then there is the one whose mind is open. Such a person is at all times willing to listen and to learn. He or she is never too proud or too busy to learn. They listen in order to understand.

**The Deep End – The Generous Sower:**

*Triona Doherty, Athlone, Co. Roscommon ([trionad@gmail.com](mailto:trionad@gmail.com))*

Can you picture it? I love the image of Jesus sitting in a boat, addressing the crowds on the beach. He certainly knew how to hold their attention. And he knew they would understand him more clearly if he used the language of stories. Those listening would have been familiar with the cycle of planting seeds and waiting for them to produce a crop. One of the purposes of parables is to challenge the hearers to reflect and respond with faith. So this parable of the sower requires Jesus' audience to decide what kind of soil they are. There is a message of judgment for those who are hardened like the rocky soil, and a message of hope for those who are receptive like the rich soil.

The figure of the sower is important too. The sower does not confine the seeds to soil that is fertile and ready for growth. Rather, the seeds are scattered everywhere – on the path, patches of rock, and among thorns. Jesus does not discriminate. His love is given out for all. He knows that some of it may be rejected, or accepted only on a superficial level, but he offers it anyway. That offer of love is never withdrawn. It might take a while to bear fruit, but it is always there.

Always there are doors that are not closed. Look for the doors that are at least a little bit open, enter and talk about common things and go on. Step by step. *Pope Francis*

**Pope Francis – 'Vocations are born in prayer, and only in prayer can they persevere and bear fruit'**

The Irish Bishops' Council for Vocations has launched a prayer initiative for an increase in vocations to the priesthood and religious life in Ireland. In this centenary of the apparitions of Our Lady of Fatima, parishes, schools and families are invited to pray a decade of the Rosary, for vocations in Ireland, on the 13<sup>th</sup> of each month from May until October.

*Those taking part in the prayer initiative are invited to use the social media hashtag #Pray4Vocations*

**Greencastle St. Patrick's GAC and Greencastle Community Association are working together to begin developing a shared Community Hub**

This is essentially a 10-15 year plan to improve the facilities in our community for the benefit of our residents.

We now have eighteen groups who use the facilities at the community centre and our resources are stretched to accommodate everyone—we need more space.

An Caisleán Glas Community Hub will take the form of a 3-phase development with the first phase incorporating a new shared / educational space, a multi-purpose gym/spinning studio, an exhibition area and additional multi-purpose rooms.

To allow this development plan to proceed we need as many people as possible to complete our community questionnaire which will be available at the community centre through the various groups/classes, the shop and school.

*The questionnaire will also be available online*

Everyone who fully completes the questionnaire is entered into a draw to win £50.

We would also like to invite people to come along to the club rooms to see the plans at 'design concept stage' and participate in a unique opportunity to influence this plan.

A Capuchin who preached the Counter-Reformation.

**Saturday 22<sup>nd</sup> July – St. Mary Magdalene** Mary stood by the cross with Jesus; with two other women she discovered the empty tomb; she was granted an appearance of the Risen Lord early on the same day, from which incident she has been described as apostle to the apostles. The Gospels give no warrant for identifying her with the woman who was a sinner who anointed Christ's feet (Luke 7:37) or with Mary the sister of Martha (John 12:3).

**Sunday 23<sup>rd</sup> July – St. Bridget of Sweden (religious and Patron of Europe)** Born in Sweden in 1303, Bridget brought up 8 children and after the death of her husband dedicated herself to an aesthetical life. She later founded the Bridgettine Order and lived in Rome. She wrote many works about her mystical appearances. She was declared a Patron of Europe in 2000.
