**Extract from the Irish Bishops Statement on Call to Return to Mass and the Lifting of Restrictions**  
 We pray in the Mass that it is 'indeed right and just, our duty and our salvation' to give thanks to the Lord and the Sunday Eucharist is our greatest act of thanksgiving. During the Season of Lent, we encourage everyone to return to Sunday and weekday Mass in our churches, welcoming each other back as we gather once more together. From Easter Sunday 17<sup>th</sup> April this will once again be deemed an essential expression of faith for all in our Church in Ireland. As always, those whose health is vulnerable or who are unwell will not be under any obligation to attend Mass and should keep themselves safe and pray at home until they are better. In the coming days and weeks parishes will continue to gradually lift the restrictions and mitigations which were introduced during the pandemic. We should however remain sensitive and respectful (by way of responsible social distancing and optional wearing of masks) towards those who may still feel vulnerable or anxious.

**St. Patrick's Church – Cleaners Urgently Needed:** Please consider volunteering for one month in the year. You are not expected to provide flowers and any help you can give will be very much appreciated, thank you.

**The Spiritual Benefits of Weekly Eucharistic Adoration**  
 It helps us to grow in holiness. Jesus is ready to lavish on us, many extra graces and blessings, when we come and spend time with Him in Adoration. It helps us to appreciate Priesthood. Remember, "No Priests, no Eucharist". It is an established fact that where Jesus in the Blessed Sacrament is worshipped and adored vocations flourish. When we spend time with Jesus in Eucharistic Adoration each week or more often, we experience a great peace and contentment.  
 "...of all devotions, that of adoring Jesus in the Blessed Sacrament is the greatest after the Sacraments themselves". *Pope St. John Paul II*

**Guidelines on Use of Modern Technology when Working with Children – Use of Photography and Video:**  
 The use of photography and video is an issue of great concern among those working with children. The Diocese recognises that every parish has their own arrangements in relation to its use in schools, youth groups and for the sacraments however the guidelines have been devised below to aid parishes and diocesan groups:

- It is always good practice to seek *written* permission from a parent or guardian before taking any photographs or video footage of children. This written permission must be sought from the parent/guardian or the person who owns the photograph before it can be displayed on promotional materials or websites. This can be incorporated in the registration form when a child joins a group (template permission Resource 10);
- Neither names nor any personal information should be displayed alongside any photographs;
- Special consideration should be given where taking photographs or video footage might be misinterpreted, or the images could be seen as provocative (e.g. beach trip or gymnastics display etc.). It is not to say, however, that with the right planning, these events cannot be recorded and enjoyed.

Photography and video recording are important methods of recording social activity and providing an historic record – illustrating and validating important moments in people's lives. This process is a powerful and personal one, and therefore we must respect the rights of all to make the choice whether or not to be photographed.  
*From Safeguarding Policy and Procedures, published on behalf of the Diocesan Safeguarding Committee*

**Child Safeguarding:** If you or anyone you know has a concern or wishes to report an allegation directly to the statutory authorities, please contact the PSNI / local Health and Social Care Trust. If you are contacting the latter, ask to speak to the Duty Social Worker. Alternatively, if you have a child safeguarding concern in relation to any member of Church personnel and wish to report it to Church authorities, please contact one of the diocesan designated persons, who will in turn report your concern to the relevant statutory authorities.

**Pope Francis' Prayer for Protection:** O Mary, you shine continuously on our journey as a sign of salvation and hope. We entrust ourselves to you, Health of the Sick. At the foot of the Cross you participated in Jesus' pain, with steadfast faith. You know what we need. We are certain that you will provide, so that, as you did at Cana of Galilee, joy and feasting might return after this moment of trial. Help us, Mother of Divine. Love to conform ourselves to the Father's will and to do what Jesus tells us: He who took our sufferings upon Himself, and bore our sorrows to bring us, through the Cross, to the joy of the Resurrection. Amen. We seek refuge under your protection, O Holy Mother of God. Do not despise our pleas – we who are put to the test – and deliver us from every danger, O glorious and blessed Virgin.

**Prayer for Synod on Synodality (2021 – 2023)**  
 We stand before You, Holy Spirit, as we gather together in Your name. With You alone to guide us, make Yourself at home in our hearts; Teach us the way we must go and how we are to pursue it. We are weak and sinful; do not let us promote disorder. Do not let ignorance lead us down the wrong path nor partiality influence our actions.  
 Let us find in You our unity so that we may journey together to eternal life and not stray from the way of truth and what is right. All this we ask of You, who are at work in every place and time, in the communion of the Father and the Son, forever and ever. *Amen*

We ask for the prayers of the people of the diocese so that, by the grace of God and intercession of Our Lady of Lourdes, we may return to Lourdes once more.

**What is Spiritual Communion?** It has long been a Catholic understanding that when circumstances prevent one from receiving Holy Communion, it is possible to make an Act of Spiritual Communion, which is a source of grace. Spiritual Communion is an ardent desire to receive Jesus in the Most Holy Sacrament and lovingly embrace him at a time or in circumstances when one cannot receive Him in sacramental Communion. The most common reason for making an Act of Spiritual Communion is when a person cannot attend Mass. Acts of Spiritual Communion increase our desire to receive sacramental Communion and help us avoid the sins that would make us unable to receive Holy Communion worthily.

Look upon us in your mercy and forgive us our failings. *Amen*

**Seeing your Life through the Lens of the Gospel:** *John Byrne OSA ([jbyrneosa@gmail.com](mailto:jbyrneosa@gmail.com))*

- Vigil Mass**
1. You might identify with the women through the events of that morning. They came search and found an empty tomb. Then they were told they were looking in the wrong place: 'why look for the living among the dead'. Finally they had to cope with the staggering good news that Jesus was alive when they thought he was dead. Let their story remind you of your journey when you found life again where you thought there was none – perhaps you may have felt like that during the recent long covid lockdown.
  2. The women were the first witnesses to the resurrection. Remember the women in your life who have brought you good news, and the women who have been witnesses to you bringing you to faith in yourself, in others, or in God.
  3. The women did not keep their discovery to themselves but hastened to share the good news with the apostles. Have there been times when your heart has been full of good news that you were eager to share with others.

- Easter Sunday morning Mass**
- In some ways this gospel is a difficult one for prayer. It only presents a part of the story and the full unfolding of the good news of the story lies in the next part of the text. However, even with this section there is plenty of material for reflection and for prayer.
1. The disciples are in a state of shock and suffering from a traumatic loss. Jesus, the one in whom they had placed so much hope, has been murdered and buried. Then, before they have time to recover comes another shock – the body of Jesus is missing. Have you had experiences in which one tragedy or crisis follows quickly after another? Perhaps this happened for you as Covid spread? How did you cope? What, or who, sustained you then?
  2. Mary and Peter, and possibly others, came and discovered that the tomb was empty. The part of the story we have in this text gives no explanations of what has happened. They are left in a state of bewilderment 'for as yet they did not understand the scripture, that he must rise from the dead.' Have you been in that kind of a situation, faced with events you cannot explain, possibly events which have dashed your hopes in another person, or in God? What has that been like for you?
  3. Yet in spite of the lack of explanation, the beloved disciple 'saw and believed'.
    - Have there been times when others have done something that you could not understand, and which they could not explain at the time and yet you believed that all was not as it seemed? ... times when you decided to trust in spite of the evidence?
    - Have there been times when others have shown this kind of faith in you when you were not able to offer satisfactory explanations, and all you could say was 'trust me'?
    - Have there been times in your relationship with God when you have felt that you were faced with an empty tomb and still you believed?
  4. Where have you found life in such experiences?
