**The Deep End – Take a Break:** *Triona Doherty (trionad@gmail.com)*

We all need a break sometimes. I remember once reading a selection of entries for a Mothers' Day competition, in which people were asked why their mother deserved to win a prize. They all had themes in common - she never does anything for herself; she's always thinking of other people; I can't remember the last time she took a break.

In today's Gospel, the disciples need a break. They have returned from their mission, eager to catch up with Jesus, but there is so much happening that they barely have time to eat. Jesus sees their need, and invites them to take a boat with him to a quiet place and rest for a while. But there is no time for rest, as the crowds have followed them on foot. Jesus is moved by them because they are 'like sheep without a shepherd'. He is the Good Shepherd who always cares for his flock, and he responds with compassion and love.

No doubt the disciples are drafted in to help: it turns out it is not break time! We can imagine their exhaustion. We all feel tired or overwhelmed from time to time, from work or family pressures or simply trying to balance everything. Postponing our own needs to care for others is familiar to every parent or caregiver. We don't know if the disciples got a rest at that point, but we know that Jesus valued time apart as he later sends the disciples off in the boat again while he goes away by himself to pray. In the chaos of life, even when there are demands on our time and energy, it is important to take some time to reflect and to pray.

**A Prayer for Now:** God of the present moment, God who in Jesus stills the storm and soothes the frantic heart; Bring hope and courage to us as we wait in uncertainty. Bring hope that you will make us the equal of whatever lies ahead. Bring us to endure what cannot be avoided, for your will is health and wholeness; you are God and we need you. *Amen*

**Preparing Our Parishes for the Future:** As we journey through these summer months where for many the pace of life slows down a little we have an opportunity as the Parishes of Greencastle and Badoney Lower to reflect on our future direction and needs.

Over these next few weeks we will share some thoughts from various church sources on the challenges we face. We begin with the new Archbishop of Dublin, Dr. Dermot Farrell where the challenges are especially pronounced, he said, "[The Laity] constitute the vast majority of the people of God. Indeed, as St. John Henry Newman, remarked perceptively, 'The Church would seem foolish without them'."

Leadership in the Church is not about telling people what to do, it is about promoting co-responsibility and overcoming the mindset which runs the risk of relegating the baptised to a subordinate role, effectively keeping them on the edges of Church life.

That is what we mean by a synodal Church – a church on the way with each other. The very first place synodality is expressed is at parish level. If it doesn't happen in the parish, it will not happen at all." Food for thought as our parishes face our own challenges in the very near future.

With challenge comes opportunity so let us face them together with trust and confidence in the Lord.

**Guidelines on Use of Modern Technology when Working with Children – Use of Photography and Video:**

The use of photography and video is an issue of great concern among those working with children. The Diocese recognises that every parish has their own arrangements in relation to its use in schools, youth groups and for the sacraments however the guidelines have been devised below to aid parishes and diocesan groups:

- It is always good practice to seek *written* permission from a parent or guardian before taking any photographs or video footage of children. This written permission must be sought from the parent/guardian or the person who owns the photograph before it can be displayed on promotional materials or websites. This can be incorporated in the registration form when a child joins a group (template permission Resource 10);
- Neither names nor any personal information should be displayed alongside any photographs;
- Special consideration should be given where taking photographs or video footage might be misinterpreted, or the images could be seen as provocative (e.g. beach trip or gymnastics display etc.). It is not to say, however, that with the right planning, these events cannot be recorded and enjoyed.

Photography and video recording are important methods of recording social activity and providing an historic record – illustrating and validating important moments in people's lives. This process is a powerful and personal one, and therefore we must respect the rights of all to make the choice whether or not to be photographed.

**Pope Francis' Prayer for Protection:** O Mary, you shine continuously on our journey as a sign of salvation and hope. We entrust ourselves to you, Health of the Sick. At the foot of the Cross you participated in Jesus' pain, with steadfast faith. You know what we need. We are certain that you will provide, so that, as you did at Cana of Galilee, joy and feasting might return after this moment of trial. Help us, Mother of Divine. Love to conform ourselves to the Father's will and to do what Jesus tells us: He who took our sufferings upon Himself, and bore our sorrows to bring us, through the Cross, to the joy of the Resurrection. Amen. We seek refuge under your protection, O Holy Mother of God. Do not despise our pleas – we who are put to the test – and deliver us from every danger, O glorious and blessed Virgin.

**What is Spiritual Communion?** It has long been a Catholic understanding that when circumstances prevent one from receiving Holy Communion, it is possible to make an Act of Spiritual Communion, which is a source of grace. Spiritual Communion is an ardent desire to receive Jesus in the Most Holy Sacrament and lovingly embrace him at a time or in circumstances when one cannot receive Him in sacramental Communion. The most common reason for making an Act of Spiritual Communion is when a person cannot attend Mass. Acts of Spiritual Communion increase our desire to receive sacramental Communion and help us avoid the sins that would make us unable to receive Holy Communion worthily.

**The Spiritual Benefits of Weekly Eucharistic Adoration**  
 It helps us to grow in holiness. Jesus is ready to lavish on us, many extra graces and blessings, when we come and spend time with Him in Adoration. It helps us to appreciate Priesthood. Remember, "No Priests, no Eucharist". It is an established fact that where Jesus in the Blessed Sacrament is worshipped and adored vocations flourish. When we spend time with Jesus in Eucharistic Adoration each week or more often, we experience a great peace and contentment.  
 "...of all devotions, that of adoring Jesus in the Blessed Sacrament is the greatest after the Sacraments themselves". *Pope St. John Paul II*

**Seeing your life through the lens of the gospel:** *John Byrne OSA ([jbyrneosa@gmail.com](mailto:jbyrneosa@gmail.com))*

1. The apostles reported to Jesus all that they had done and taught. Perhaps you have had the experience of being able to check in with somebody and share an experience. What was that like for you?
2. Jesus saw that the apostles needed to rest and eat. What has been your experience of finding a restful place after a busy day? What kind of nourishment have you found necessary in order to maintain energy and enthusiasm? Did your experience during the Covid19 pandemic give you any new insights about this?
3. When Jesus saw the crowd, he recognised their need and reached out to them. Who has been a Jesus person for you, someone who recognised your need and reached out to you? For whom have you been a Jesus person in that way?
4. It sometimes can be difficult to strike a balance between responding to the needs of others and meeting our need for rest and nourishment. What has helped you to keep the balance right?
