**Safeguarding Sunday (18<sup>th</sup> September):** Mass takes place this Sunday at 3.00pm in St. Columb's Church, Waterside, Derry. Safeguarding Sunday is a chance to shine a light on what our diocese is doing to ensure our parish communities and our places of worship are safe environments. Protecting children, and adults at risk, is at the heart of the Church's message. The National Board for Safeguarding Children in the Catholic Church in Ireland has developed comprehensive safeguarding standards which are designed to support best practice in providing safe environments and child-protection procedures. The Diocese of Derry, along with all Church bodies, is committed to complying with these standards. This year's Safeguarding Sunday We take this opportunity to thank and pray for those who have stepped up to co-ordinate safeguarding in our church so that we can ensure the protection of children and adults at risk. We believe that safeguarding is an outworking of our faith in a loving and just God - the God who calls us to speak up on behalf of those who cannot speak for themselves and to defend the rights of the vulnerable (Proverbs 31:8).
