**Thought for the Week:** "We should also recognize that destructive forms of fanaticism are at times found among religious believers, including Christians; they too "can be caught up in networks of verbal violence through the internet and the various forums of digital communication. Even in Catholic media, limits can be overstepped, defamation and slander can become commonplace, and all ethical standards and respect for the good name of others can be abandoned". How can this contribute to the fraternity that our common Father asks of us?"

**What is Spiritual Communion?** It has long been a Catholic understanding that when circumstances prevent one from receiving Holy Communion, it is possible to make an Act of Spiritual Communion, which is a source of grace. Spiritual Communion is an ardent desire to receive Jesus in the Most Holy Sacrament and lovingly embrace him at a time or in circumstances when one cannot receive Him in sacramental Communion. The most common reason for making an Act of Spiritual Communion is when a person cannot attend Mass. Acts of Spiritual Communion increase our desire to receive sacramental Communion and help us avoid the sins that would make us unable to receive Holy Communion worthily.

**Spiritual Communion Prayer:** My Jesus, I believe that you are present in the Most Holy Sacrament. I love you above all things and I desire to receive you in my soul. Since I cannot at this moment receive you sacramentally, come at least spiritually into my heart. I embrace you as if you were already there and unite myself wholly to you. Never permit me to be separated from you.  
*Amen*

**Guidelines on Use of Modern Technology when Working with Children – *Use of Photography and Video*:**  
The use of photography and video is an issue of great concern among those working with children. The Diocese recognises that every parish has their own arrangements in relation to its use in schools, youth groups and for the sacraments however the guidelines have been devised below to aid parishes and diocesan groups:

- It is always good practice to seek *written* permission from a parent or guardian before taking any photographs or video footage of children. This written permission must be sought from the parent/guardian or the person who owns the photograph before it can be displayed on promotional materials or websites. This can be incorporated in the registration form when a child joins a group (template permission Resource 10);
- Neither names nor any personal information should be displayed alongside any photographs;
- Special consideration should be given where taking photographs or video footage might be misinterpreted, or the images could be seen as provocative (e.g. beach trip or gymnastics display etc.). It is not to say, however, that with the right planning, these events cannot be recorded and enjoyed.

Photography and video recording are important methods of recording social activity and providing an historic record – illustrating and validating important moments in people's lives. This process is a powerful and personal one, and therefore we must respect the rights of all to make the choice whether or not to be photographed.  
*From Safeguarding Policy and Procedures, published on behalf of the **Diocesan Safeguarding Committee***

**Child Safeguarding:** If you or anyone you know has a concern or wishes to report an allegation directly to the statutory authorities, please contact the PSNI / local Health and Social Care Trust. If you are contacting the latter, ask to speak to the Duty Social Worker. Alternatively, if you have a child safeguarding concern in relation to any member of Church personnel and wish to report it to Church authorities, please contact one of the diocesan designated persons, who will in turn report your concern to the relevant statutory authorities. *See poster at entrance*

#### **The Spiritual Benefits of Weekly Eucharistic Adoration**

It helps us to grow in holiness. Jesus is ready to lavish on us, many extra graces and blessings, when we come and spend time with Him in Adoration. It helps us to appreciate Priesthood. Remember, "No Priests, no Eucharist". It is an established fact that where Jesus in the Blessed Sacrament is worshipped and adored vocations flourish. When we spend time with Jesus in Eucharistic Adoration each week or more often, we experience a great peace and contentment.

"...of all devotions, that of adoring Jesus in the Blessed Sacrament is the greatest after the Sacraments themselves". *Pope St. John Paul II*

**Pope Francis' Prayer for Protection:** O Mary, you shine continuously on our journey as a sign of salvation and hope. We entrust ourselves to you, Health of the Sick. At the foot of the Cross you participated in Jesus' pain, with steadfast faith. You know what we need. We are certain that you will provide, so that, as you did at Cana of Galilee, joy and feasting might return after this moment of trial. Help us, Mother of Divine. Love to conform ourselves to the Father's will and to do what Jesus tells us: He who took our sufferings upon Himself, and bore our sorrows to bring us, through the Cross, to the joy of the Resurrection. Amen. We seek refuge under your protection, O Holy Mother of God. Do not despise our pleas – we who are put to the test – and deliver us from every danger, O glorious and blessed Virgin.

**The Deep End – Now Is the Time:** *Triona Doherty, Athlone, Co. Roscommon (trionad@gmail.com)*  
More than 50 years ago, in his famous 'I have a dream' speech, Martin Luther King Jr talked about 'the fierce urgency of now'. He urged people to take positive action and to march forward together to address inequality and injustice, and his energy and conviction brought about massive change.  
That sense of 'fierce urgency' seems to grab Jesus and the disciples in today's Gospel. In the opening chapters of Mark's Gospel everything happens 'at once' or immediately. There is a sense of hurry; the time has come, the kingdom of God is near, and Jesus needs helpers to work alongside him. Simon, Andrew, James and John are certainly ready, so ready that they are prepared to leave behind their livelihoods, and even their families, to attend to the urgent business of spreading the Good News.  
Jesus asks the same of us, his modern-day disciples: 'Follow me'. We are summoned too. We are challenged to set aside our worldly concerns, to see the world in a new way, and to begin a new adventure with Jesus. For every person in our world who is suffering or oppressed or in need, there is a 'fierce urgency of now'. The work of the kingdom is too immediate to wait.  
This is no time to engage in the luxury of cooling off or to take the tranquillising drug of gradualism. Now is the time to make justice a reality for all of God's children... The whirlwinds of revolt will continue to shake the foundations of our nation until the bright day of justice emerges.  
*Martin Luther King Jr.*

**Seeing your life through the lens of the gospel:**

*John Byrne OSA (jpbymeosa@gmail.com)*

1. 'The time is fulfilled' – this is a decisive moment in the life of Jesus. His public ministry is about to begin. Recall turning points in your own life when something new happened and with hindsight you can say the time was ripe for it to happen, 'the time was fulfilled'.
2. 'Repent and believe the good news'. Jesus was not preaching a new doctrine, but calling for a change of heart, as a response to the good news of the gospel message. A new way of understanding God leads to a conversion in how we relate to God, a change of heart. A growth in awareness of who we are can lead us to a new level of self-confidence, another change of heart. Can you recall times when 'good news' led you to a change of heart?
3. The Spirit of God who was at work in Jesus calling the disciples continues to work in our day and in our lives. That is why the gospel message is one of GOOD NEWS. When has your understanding of the gospel message led you to a different style of life? Who was the 'Jesus person' through whom the call came to you? To whom have you been a 'Jesus person' in this way?
