Thought for the Week: "We are all called to be holy by living our lives with love and by bearing witness in everything we do, wherever we find ourselves. Are you called to the consecrated life? Be holy by living out your commitment with joy. Are you married? Be holy by loving and caring for your husband or wife, as Christ does for the Church. Do you work for a living? Be holy by labouring with integrity and skill in the service of your brothers and sisters. Are you a parent or grandparent? Be holy by patiently teaching the little ones how to follow Jesus. Are you in a position of authority? Be holy by working for the common good and renouncing personal gain."

Guidelines on Use of Modern Technology when Working with Children – Use of Photography and Video:

The use of photography and video is an issue of great concern among those working with children. The Diocese recognises that every parish has their own arrangements in relation to its use in schools, youth groups and for the sacraments however the guidelines have been devised below to aid parishes and diocesan groups:

- It is always good practice to seek *written* permission from a parent or guardian before taking any photographs or video footage of children. This written permission must be sought from the parent/guardian or the person who owns the photograph before it can be displayed on promotional materials or websites. This can be incorporated in the registration form when a child joins a group (template permission Resource 10);
- Neither names nor any personal information should be displayed alongside any photographs;
- Special consideration should be given where taking photographs or video footage might be misinterpreted, or the images could be seen as provocative (e.g. beach trip or gymnastics display etc.). It is not to say, however, that with the right planning, these events cannot be recorded and enjoyed.

Photography and video recording are important methods of recording social activity and providing an historic record – illustrating and validating important moments in people's lives. This process is a powerful and personal one, and therefore we must respect the rights of all to make the choice whether or not to be photographed.

From Safeguarding Policy and Procedures, published on behalf of the Diocesan Safeguarding Committee

Child Safeguarding: If you or anyone you know has a concern or wishes to report an allegation directly to the statutory authorities, please contact the PSNI / local Health and Social Care Trust. If you are contacting the latter, ask to speak to the Duty Social Worker. Alternatively, if you have a child safeguarding concern in relation to any member of Church personnel and wish to report it to Church authorities, please contact one of the diocesan designated persons, who will in turn report your concern to the relevant statutory authorities. *See poster at entrance*

Pope Francis' Message for World Day of Peace 2020:

"Faced with the consequences of our hostility towards others, our lack of respect for our common home or our abusive exploitation of natural resources – seen only as a source of immediate profit, regardless of local communities, the common good and nature itself – we are in need of an ecological conversion. The recent Synod on the Pan-Amazon Region moves us to make a pressing renewed call for a peaceful relationship between communities and the land, between present and past, between experience and hope.....All this gives us deeper motivation and a new way to dwell in our common home, to accept our differences, to respect and celebrate the life that we have received and share, and to seek living conditions and models of society that favour the continued flourishing of life and the development of the common good of the entire human family."

Seeing your life through the lens of the gospel:

John Byrne OSA (jpbyrneosa@gmail.com)

1. 'The people who sat in darkness have seen a great light' ... Jesus applies this to himself and his message. Who have been the Jesus people who have been a source of light to you? Have you been such a light for others?
2. His message was a call to repentance, to a change of attitude toward God, from seeing God as one to be feared, to seeing God as a God of love. When have you heard that call in your life? What was it like for you?
3. Jesus invited disciples to join him in his mission. In responding, the disciples 'left their nets' to follow Jesus. Sometimes we have to disentangle ourselves from other things to give ourselves freely and wholeheartedly to a commitment. Have you experienced being 'enmeshed' and being free? Where did you find life?
4. In v. 23 we have a summary of the ministry of Jesus – 'proclaiming the good news of the kingdom' and witnessing to this by teaching and healing. Who have been the people you have known who have witnessed to the 'kingdom', the reign of God in our world? What have been the signs that accompanied their witness? When have you done this yourself?

The Deep End – Jesus Begins His Ministry in Galilee:

Jane Mellett (mellettj@gmail.com)

In today's Gospel we hear that Jesus withdrew to Galilee and made his home in Capernaum by the lake. Anyone who has been to the Holy Land will have visited Capernaum and will know that it is a beautiful place. In Jesus' time this was a thriving fishing town.

To 'repent' literally means 'to turn around'. We are called to transformation, to turn away from what is not life giving and embrace a full life.

It's hard to imagine behaving in the same way as Simon Peter and Andrew, leaving everything behind them and following Jesus. There must have been something very attractive about Jesus. The account in Matthew is quite short but one wonders if they had heard him speak many times before this moment. It takes courage to drop everything and follow something new. Obviously, they were ready for it, it was the right moment and their hearts said 'Yes!'

These accounts are the beginning of Jesus' public ministry. Today perhaps you can reflect on moments you were called to something new and even though it meant leaving something behind, you knew it was the right choice. You were at peace with your decision despite the challenges it might bring. This process never ends, we are constantly called to 'repent', renew, rediscover, seek out.
