Guidelines on Use of Modern Technology when Working with Children: - Use of photography and video
 The use of photography and video is an issue of great concern among those working with children. The Diocese recognises that every parish has their own arrangements in relation to its use in schools, youth groups and for the sacraments however the guidelines have been devised below to aid parishes and diocesan groups:

- It is always good practice to seek *written* permission from a parent or guardian before taking any photographs or video footage of children. This written permission must be sought from the parent/guardian or the person who owns the photograph before it can be displayed on promotional materials or websites. This can be incorporated in the registration form when a child joins a group (template permission Resource 10);
- Neither names nor any personal information should be displayed alongside any photographs;
- Special consideration should be given where taking photographs or video footage might be misinterpreted, or the images could be seen as provocative (e.g. beach trip or gymnastics display etc.). It is not to say, however, that with the right planning, these events cannot be recorded and enjoyed.

Photography and video recording are important methods of recording social activity and providing an historic record – illustrating and validating important moments in people's lives. This process is a powerful and personal one, and therefore we must respect the rights of everyone to make the choice whether or not to be photographed.

*The notice comes from the Safeguarding Policy and Procedures and is published on behalf of the **Diocesan Safeguarding Committee***

You came among us, doing good and bringing healing, announcing the Word of salvation and giving the Bread which lasts forever. Be our companion on life's pilgrim way. May your Holy Spirit inflame our hearts, enliven our hope and open our minds, so that together with our sisters and brothers in faith we may recognise you in the Scriptures and in the breaking of bread. May your Holy Spirit transform us into one body and lead us to walk humbly on the earth, in justice and love, as witnesses of your resurrection. In communion with Mary, whom you gave to us as our Mother at the foot of the cross, through you may all praise, honour and blessing be to the Father in the Holy Spirit and in the Church, now and forever. The 50th International Eucharistic Congress 2012: This will take place in Dublin from 10th to 17th June under the theme *'The Eucharist: Communion with Christ and with one another'* and expects 25,000 pilgrims to participate each day, both from Ireland and from overseas.

It is an international gathering of people, which aims to promote an awareness of the central place of the Eucharist in the life and mission of the Catholic Church; help improve our understanding and celebration of the liturgy and draw attention to the social dimension of the Eucharist.

These aims are achieved through a programme of pastoral preparation in the years leading up to the Congress and the actual week of the Congress that consists of a programme of Prayer, Eucharist, workshops, discussion groups, catechesis and testimonies, cultural events, a youth space, tours, exhibitions, a Eucharistic Procession, a massive closing ceremony in Croke Park and more.

Seeing your life through the lens of the gospels – Mark 15:27-27; 16:12-15:

- Jesus recognised that his disciples were not capable of taking in everything at once. Wisdom about life comes slowly and sometimes painfully. Hearing the 'right' answer at the 'wrong' time does not help us. We need to be ready and open to receiving the truth if it is to have any impact. Perhaps you can recall some occasions when it was the 'right' time for you to learn a truth about life. Remember your experiences of growing in understanding and truth.
- The Spirit can guide us to understanding in different ways. Understanding may have come to you when you were praying or reflecting on your life. Perhaps the Spirit guided you through the words of someone close to you, or through the words and actions of people you read about or saw on TV. Remember and give thanks for the people who have helped you to greater wisdom in life.
- Jesus said the Spirit would 'glorify' him by reminding the disciples of Jesus' own teaching. To whom do you give glory by taking their wisdom and incorporating it in your life? Are there people who give you glory by using your wise advice in their lives?
- Wisdom is handed on from person to person, and from generation to generation, within families, within communities, etc. Are there any particular gems of wisdom that you cherish from what has been handed on to you? What wisdom would you like most of all to pass on to those close to you? *John Byrne OSA (john@orlagh.ie)*

Questions people ask:

- Q. It helps me if I can visualise God in prayer. How might I think about the Holy Spirit?
- A. The Risen Lord breathed on the apostles while bestowing on them the power of the Holy Spirit. Again, we read of the Spirit coming at Pentecost under the sign of a mighty wind. I like to begin each day with a breathing prayer. Taking in a deep breath I welcome the gift of life in a new day. From my bodily life I then turn my thoughts to the gift of the Holy Spirit. The intake of fresh air is now a welcome to the Holy Spirit, not only to my life but to the entire Church this day. I then recite the Latin prayer *Veni Sancte Spiritus*.
